while the committee will work hard so that the students in the college get all the facilities which they deserve.

HFT against drug abuse

■ NEC Report

Agartala, Mar 22: The Hepatitis foundation of Tripura (HFT) has launched a massive initiative to boost up the Tripura government's endeavour to make Tripura a drug-free state and to make the year 2021 drug de-addiction year. A month long anti-drug awareness programme was observed by the HFT in different parts of the state from February 13 to March 18 to aware the people, especially youths against the drug menace and abuses. The HFT through a press statement said that the 'Golden Triangle' where Tripura, Myanmar and Thailand come together at a point which has emerged as the highest supplier of drugs of different varieties to all Northeastern states.
