

Voluntary blood donation organized by Hepatitis-B Foundation (GFT) to GBP blood bank

By Our Correspondent

Agartala, February 23, 2023

The Hepatitis B Foundation of Tripura (HFT), the most popular service organization in the health sector has kept up its pro-people welfare works. After receiving reports of blood shortage in the blood bank of GBP hospital the HFT authority this morning organized a voluntary blood donation camp in the GBP hospital. Sources from HFT said that altogether 30 people had donated blood to the blood bank smoothly. The camp was attended by Dr Pradip Bhowmik, the living spirit behind the HFT, Dr Chinmay Biswas, the superintendent of GBP hospital Dr Samar Chakraborty and Resident Medical Officer (RMO) Dr Bidhan Goswami. The camp was a grand success.
